

about

Service Program for Older People

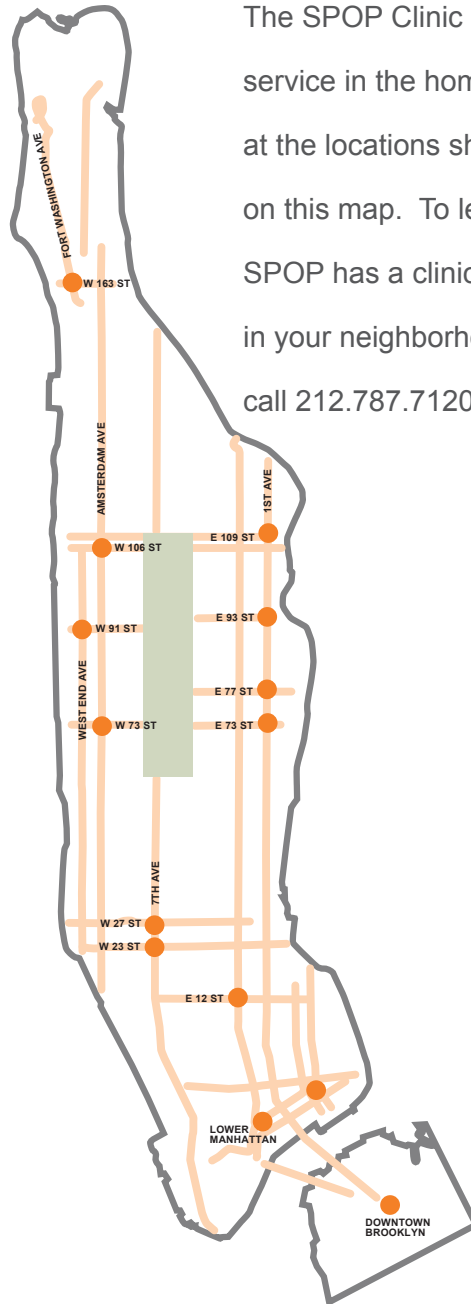

Service Program for Older People (SPOP) was founded in 1972 as one of the first agencies in the U.S. dedicated to meeting the mental health needs of older adults living in the community.

SPOP's mission is to enhance the quality of life of older adults and to foster their independent living through the delivery of comprehensive mental health and supportive services, advocacy, and education.

Service Program for Older People
302 West 91st Street
New York, NY 10024
