Continuing to Bridge the Gap between
Teens and Older Adults...

Join our debate series, it's all on Zoom!

ATTENTION OLDER ADULTS:

How would you like an opportunity to share your wisdom and insight with Teens, relaying your years of life and academic experience to enlighten the younger generation?

We're pairing Teens and Older Adults in our debate program, with engaging topics that are interesting and relevant! Plus, there will be prizes, awards and giveaways!

Come share your ideas, consider other points of view, and enjoy matching ethics, logic and persuasion while engaging in civil discourse through competitive debate.

Our professional coaches and judges will offer valuable feedback and analysis as you build your research and public speaking skills.

Register today on the website! The Zoom link will be emailed to all registrants at 10am on the day of the sessions. For more information, contact Berena Hughes via email at BHughes@bklynlibrary.org, or call 929-466-1158 during business hours.
